"This is a wonderful villa situated on a hilltop close to the village of La Garde Freinet and a short drive from the glamorous port town of St Tropez."

With magnificent views and easy access to the French Riviera this really is the ideal holiday destination.

Villa Lecasse boasts a fabulous private pool and garden with breath-taking views of the rolling hills of the South of France. The large terrace, with a summer kitchen, built-in barbecue and covered dining area, is perfect for al fresco dining or simply breathing in the fresh air and taking in the natural surroundings.

The villa interior is stylishly designed with charm and comfort in mind. The traditional country kitchen is fully equipped and there is an open plan living and dining room which remains cool throughout the summer months due to the original old stone walls. Upstairs, 8 guests can be accommodated in the four beautiful double bedrooms each with fabulous views.

Although the villa is secluded in peaceful and tranquil surroundings, the village is within walking distance and the nearby towns and beaches offering many activities and cultural adventures are only a short drive away making this perfect for action packed and restful getaways.
