The minimal design of the exterior makes clever use of natural materials, such as stone, to blend in with the Cretan landscape. The villa is surrounded by a spacious, carefully maintained garden encompassing several lounge areas, a shaded BBQ and dining area, a children's playground and of course a private swimming pool. Enjoy a refreshing dip in the turquoise waters of the swimming pool or settle back on a sunlounger and relish in life's simple pleasures.

Chic and modern, the interiors feature large windows that bring the outside in, creating a sense of oneness with nature. An earthy colour palette is used, combined with wooden furniture to exude a homely ambience. Distinct textures and simple decorations reflect a genuine attention to detail and complete the atmosphere of unassuming luxury. A fully equipped kitchen, a dining area, 2 bedrooms with shared bathroom and a study area with a fold-out sofa bed, complete the villa's interior and promise to provide a comfortable and luxurious stay!

Elounda, Crete's renowned resort town, is only 2.7 km away and is home to some of the most beautiful landscapes on the island.
