"A fusion of luxury and design – Villa Narcisa incorporates a contemporary feel combined with a touch of oriental art, to make one of Crete's most desirable villas."

The uninterrupted sea views and infinity pool are perfect zones in which to relax. Nearby Elounda (3 km) is one of the island's most sought after locations – a tranquil fishing village with harbour and beaches, plus several places to dine at and enjoy fresh fish as well as to visit the island of Spinaloga.

Crete is the largest of the Greek islands and has a rich history waiting to be discovered. There are impressive mountain-scape and lovely beaches; from the Chania region on the west side of the island, to Heraklion (with exceptional archaeological treasures to see) and to the east is Lasithi, where crystal clear waters lap the beaches. Experience fine cuisine in the form of various local dishes such as Bouyatsa (a delicious cream pie with sugar), Yraviera sheep cheese, or perhaps try roasted goat and Cretan wedding rice – sampled with a glass of local wine, a tradition also dating back some 4,000 years!
