"A magnificent villa within a short walk from the lagoon at Quinta do Lago. Upper and lower pool, plus jacuzzi. Amazing views of the Ria Formosa Nature Reserve."

Villa Mara's ground floor gives access to the kitchen, main living/dining area, an office and three ensuite bedrooms. As guests walk through the corridor to the kitchen, they'll find stairs to the lower and upper floors.

The kitchen is equipped with all the necessities and has double doors that lead outside to the barbecue area. The living/dining area also has French windows that open onto the outdoor terrace where the pool can be found along with a second barbecue.

All the bedrooms are ensuite doubles and the master gives access to the terrace containing the lower swimming pool. The upper terrace has its own jacuzzi, worktop with sink and barbecue.

The final three bedrooms can be found on the lowest floor along with the garage, laundry area and a well-equipped gym surrounded by glass. Two of the bedrooms are ensuite doubles that share a terrace with seating arrangements. Stairs lead off this terrace to the villa's second swimming pool and the well landscaped garden.

The last bedroom is a twin which has a separate shower room and an open space combining a games room, a bar, and a TV area with a large screen and leather sofa. The games room is equipped with table tennis, small gym (running machine, rowing machine, cycle) and snooker table.
