The owners sometimes walk to Estepona (on a pedestrianised route) from the villa, although this is around 1 hour 15 mins to walk, so may be more comfortable by car or cycle. Note that the villa is on a slight hill, so walking down is easier than the walk back up - if guests prefer to drive, there is a large car park at the bottom of the road by the beach.

The housekeeper lives in nearby San Pedro but will supply and prepare a daily continental breakfast in the villa included in the price (fresh fruit, cold meats, coffee, pastries, cereals) as well as one evening meal if guests wish (curry, paella or bbq), included in the price. For €20 per hour the housekeeper will do additional work like babysitting, shopping, ironing etc on request.
