"Nestling amid splendid forested grounds in south-western Ibiza, just 4 minutes away from the beach, this villa is a unique jewel of elegance and comfort boasting a striking vista over the turquoise water, the bay of Cala Tarida and Conejera island".

Named after the magnificent sunsets guests can enjoy from the pool deck, terraces and wide expanses of windows in this stunning contemporary property, the Ibizan sun rises over the trees behind the property, lingers long overhead in Ibiza's warm blue skies, then drops magnificently into the sea, bathing this little corner of the Mediterranean in the vibrant sunset hues for which this island is known.
