"Tucked away on a hillside over four levels topped by a wonderful rooftop terrace with swimming pool, summer kitchen and Chiringuito style bar, this lovely modern family villa affords inspiring sea views over the Es Cubells bay on Ibiza's southern coast, the Mediterranean sea and the island of Formentera".

The terrace is the ideal place in which to relax with friends and family by the pool, preparing delicious meals in the open-air kitchen and BBQ or just unwind with a good book in the chill-out corner or on the sun loungers. This level also boasts an outdoor dining area, where you can enjoy unforgettable dinners against the superb backdrop of sunsets over the Mediterranean sea. The terraced garden hide several entertainment and sport platforms including large chill-out areas, a 50 m² outdoor fitness and workout area and a 160 m² yoga platform with sensational views across the sea to the island of Formentera. The property benefits from a range of modern technology, including a Sonos sound system with B&W speakers inside and outside, a Lutron home automation system (including remote controlled curtains and interior closet lights), integrated air conditioning, alarm, cameras, safes and of course WiFi.
