"Direct access to a mini beach, walking distance of shops and restaurants and a blissful pool with sea views."

Located on the south east of the island of Mallorca, close to the picturesque town of Portopetro is this elegant villa.

With air-conditioned interiors, beautifully furnished al fresco 'rooms', and bags of space in both, this very chic villa blurs the lines of indoor and outdoor comfort. On the upper (entry) level, a well-equipped kitchen opens on to the grounds, where there is a palm-garden dining/sundowner terrace. An open-plan living / dining room has doors to a covered seating and dining area, with uninterrupted sea views; and there is one master bedroom and a twin bedroom. All this is echoed on the lower ground floor, with a spacious TV room and two twin bedrooms each opening out to the poolside, a further twin bedroom on the side of the house, an indoor kitchenette and changing room and an al fresco chill-out area with deep-cushioned seating.

The infinity pool has in-pool benches and a timber decked terrace with dining area, with stone steps which lead down to a sundeck and access to sea bathing from the rocks and sandy mini-beach. The waterfront town of Porto Petro with its restaurants and shops are nearby whilst the villa is a five minute drive from bars, beaches and restaurants in livelier Cala d'Or and also within very easy reach of the splendid sandy beaches in the National Park of Cala Mondrago.
