"You couldn't wish for a better location from which to enjoy all that Marbella has to offer - this delightful newly-built contemporary villa with pool, home cinema and spectacular roof terrace with Jacuzzi, sits just 150 metres from the prestigious promenade and long sandy beach".

Set back (2nd line) from the hustle and bustle, but a stone's throw from all amenities and with remarkable features such as 5 ensuite bedrooms, a cinema room and a breath-taking roof terrace with outdoor kitchen, jacuzzi and chill-out lounge, this is the perfect choice to come and enjoy the luxurious Marbella lifestyle with your every whim catered for. Furthermore, being located right in the middle of the Golden Mile, it is just a short and most enjoyable walk to both Puerto Banús (about 45 mins) and the old town of Marbella (15 mins). It is one of the few places in Marbella where the whole family can do what they want without having to use a car.
