"A secluded and private property, close to the iconic village of Gordes."

This wonderful property is located close to the stunning hilltop village of Gordes in Provence. Gordes is one of the most iconic villages in France with wonderful restaurants, cafes and a weekly market. This five-bedroom family home comfortably sleeps ten people and has been beautifully refurbished, balancing traditional charm with modern touches. Set in a private and secluded location, the property has superb facilities including a floodlit tennis court with soccer goals, volleyball and basketball nets. The beautiful swimming pool also has a covered area and from the pool terrace, there are superb views over the Provence countryside.

There is so much to do in this part of Provence; for example, visit the beautiful nearby Abbaye de Senanque with its famous lavender fields or take a trip to Isle-sur-la Sorgue with its antique markets and art galleries. The area is also a foodies paradise with excellent restaurants in other nearby hilltop villages and an abundance of fantastic local weekly markets offering wonderful fresh produce. Why not book a private chef to come and cook at the house so you can relax and enjoy your holiday. In addition to chefs, we can also arrange additional extra services including bike hire, bike guides, art classes and wine tastings.
