"A beautifully restored 18th century property located close the historic village of Lacoste"

Mas de Lacoste is a beautifully renovated 18th-century farmhouse sleeping up to ten people, close to the medieval hilltop village of Lacoste. Perched between the villages of Menerbes and Bonnieux, this is beautiful part of the Luberon valley.

The house has been tastefully refurbished in a chic design with comfortable furnishings and high quality linens. In particular the bedrooms and bathrooms, that create a luxury home from home feeling.

The gardens offer total seclusion and privacy, featuring a lovely heated swimming pool (10m x 4.5m). Mature oak trees provide shade from the sun and there is plenty of space for children to run around.

The Mas is also well located for hiking and cycling with plenty of routes to choose from. This area of Provence is a foodies paradise with its weekly markets in the various villages, wonderful restaurants and superb local wineries. We have an excellent knowledge of this part of Provence as we have been to all markets, eaten at the restaurants, tasted the wines so would be delighted to talk to you further about things to do. Through our concierge service we are also able to organise private chefs, bike hire and cycling guides
