"Ideally situated by La Croix Valmer, one can easily reach all the beaches on the St Tropez Peninsula. This contemporary villa with infinity, heatable pool and sea views can accommodate up to 20 people between the main house and three separate guests apartments, allowing a certain degree of privacy within a large group of families or friends".

This is a truly magnificent villa for rent on the exclusive French Riviera, situated in the pretty village of La Croix-Valmer, at the heart of the Bay of Saint-Tropez, which is renowned for its beautiful beaches like Plage du Débarquement and Plage de Gigaro. This luxurious villa is ideally situated within walking distance to the village centre offering a range of authentic cafes, restaurants, grocery stores and all other amenities. Famed Saint-Tropez is only a short drive from the villa and is an absolute must. Narrow, romantic streets wind through the city centre, while the harbour area - still retaining the look of the original fishing village - displays luxurious yachts, boutiques, restaurants and cafes. All around the peninsula, pristine sandy beaches such as Plages de Ramatuelle or La Pampelonne offer a variety of water sports, as well as world-famous beach bars and restaurants. The villa is particularly recommended for large groups as it is perfectly geared up to accommodate up to 20 guests in 10 luxurious bedrooms arranged over the main house (5 bedrooms) and three separate luxury apartments, each with independent entrance, private patio and a fully equipped with kitchen. On request, the three apartments can be connected to the main house via the pool-house staircase to make a large unit.
