"Dramatically perched on a hillside overlooking the Tyrrhenian sea and the island of Capri, this is a beautifully restored, fully air-conditioned villa set in verdant, terraced grounds with private swimming pool and spectacular views all around. The shops and restaurants of Massa Lubrense are only a few minutes' walk from this exclusive villa and Sorrento's splendid gulf is just under three miles away."

Uniquely designed for outdoor living, the villa's focal point is the large living area within the lush Mediterranean garden. This encompasses bespoke garden furniture, a professional kitchen with pizza oven and covered dining terrace, ideal for large gatherings or summer barbecues. In fact, why not take up a pizza-making class on offer here; fun is guaranteed as is the spectacular view of the sunset over the sea. At the end of a busy day you can retire to your private quarters in one of the individually appointed bedroom suites. The convenient location allows for a wide range of activities available locally, such as sightseeing, sailing across the bay towards Capri or spending a lazy beach day on the glamorous Sorrento's peninsula. In fact you have a wide choice of shingle and pebble beaches hidden among the coves and rugged cliffs. Among them are Marina della Lobra, Baia di Marciano, Baia della Conca Azzurra and Baia di Puolo, all within a radius of three miles. For some quality shopping, good food, fantastic sea views and great atmosphere both day and night Positano, Sorrento and Amalfi are an absolute must. A day trip to Pompeii or Ercolano, at the foot of Mount Vesuvio, are also strongly recommended.
