"Perched on a cliffside overlooking the splendid bay of Positano, this charming 4-bedroom villa with private pool enjoys a superb situation with panoramic sea views, with the added bonus of having direct access to a pebble beach via the nearby funicular lift."

A short distance away is also a convenient minimarket delivering groceries directly onto your doorstep, on request. There is a fabulous restaurant within 5 minutes' walk, a beach club and restaurant on the local pebble beach which guests can use. This Mediterranean setting is simply enchanting and encompasses hibiscus, agave plants and maritime pine trees. There is a splendid, large terrace, the perfect spot from which to enjoy the spectacular panorama. Inside, the accommodation is on one level ideally arranged with the bedrooms either side of the spacious living area, and all rooms enjoy wonderful sea views.

You will find plenty of restaurants, shops and bars in buzzing Positano close by, but don't miss out on a visit to Amalfi or to Ravello, both of which are also very special places. One of the best ways to discover the stunning beauty of the Amalfi coast is from the sea itself. Boat trips are available to the islands of Capri or Ischia, as well as to other places on the coast. You can even charter your own boat for the day and discover your very own little cove! There are plenty of places to visit for the day, such as Pompei or Herculaneum, or Mount Vesuvius where you can climb up to the crater and admire the views over the Bay of Naples. Both by day and by night the Amalfi coast boasts an incredible and irresistible charm!
