All of the area's must-see sights are within easy reach of this central location, from historic villas and botanic gardens to zip-lining and high-adrenaline watersports."

The kitchen, dining room, living room and an extra half-bath are all on the main floor, along with two ensuite guestrooms, one with a double bed and one with twin beds. Virtually all of the main floor rooms have direct access to the garden and pool area, giving guests the opportunity to live the indoor/outdoor lifestyle that Italy is famous for. Upstairs, guests will find a convenient workstation sitting between the two additional ensuite guestrooms as well as a storage space for suitcases. The basement, accessed from the outside, promises fun for the whole family with foosball and Wii sports, a fitness room and sauna as well as a fully-stocked wine cellar with a rustic wooden tasting table.
