"Situated in a small village just a 10-minute drive from Guimarães and 45 minutes from Porto Airport, this stunning Manor House offers an ideal retreat for those seeking seclusion while exploring the treasures of northern Portugal".

Among the gems of this corner of Portugal are cities like Guimarães, Braga and Porto, as well as historic villages and renowned wine-producing regions like the Douro Valley and Vinho Verde areas. The original structure dates back to the 17th century and is one of the most iconic buildings in the northern region. Renovation work was meticulously carried out to preserve its original features, and the interiors were lavishly decorated by a renowned Portuguese interior designer, featuring exquisite furniture, high-quality textiles and impeccable finishes. The result is a luxurious residence that gracefully combines history with contemporary touches, where every detail is meticulously crafted.

With ample space and numerous rooms for entertainment, it's an ideal choice for a large family getaway or formal gatherings. The property boasts 12 suites in total – 5 master suites with king-size beds, 4 suites with queen-size beds, and 3 junior suites also with queen-size beds – all equipped with their own bathrooms and ample space to accommodate up to 16 guests. The house offers three distinct living areas – a formal living room, a library/games room, and a more casual lounge. For dining, guests have several options: a family dining room seating 16, an indoor patio with seating for up to 18, a formal dining room with space for 20, and a charming dining area with 10 seats located in the old kitchen.

Meal preparation is facilitated by a modern kitchen featuring a central island with two sinks and equipped with top-of-the-line appliances and all necessary equipment including a dishwasher, hood, oven, microwave, kettle, toaster, espresso machine, two refrigerators, and an ice maker. Outside, the property continues to impress with meticulously maintained lawns, romantic gardens, a beautiful circular swimming pool surrounded by elegant sun loungers and umbrellas, and a charming chapel dating back to 1623. Parking is available for up to 20 cars. Lastly, there's a Spa area offering a heated swimming pool, steam room, dry sauna, indoor jacuzzi, yoga room, and massage room – the perfect sanctuary for relaxation and rejuvenation.
